

Why OutSource Your Medical Billing?

THE CHALLENGES

In-house employees are often the top contributors to the organization's success.

But, regardless of talent, skill, or capability, these individuals often lack the time and availability to keep up with the ever-changing tides of the healthcare industry, especially when it comes to the particulars of medical billing.

THE SOLUTION

For you to keep up with the demands and achieve success, a **responsible plan for financial health must be prioritized**. By outsourcing medical billing, our experience has proven our practices not only net higher income but also leverage internal personnel to focus on what matters most - patient outcomes!

One Source Medical Billing Services, LLC

OUTSOURCING MAKES SENSE BECAUSE:

- Our firm becomes focused on driving your revenue
- You'll have a better understanding of your cash-flow
- Reduce the cost of equipment, software, V staff size, and employee expenses.
- Free up your time to focus more on patient care

The source to your medical billing and practice solutions

One Source Medical Billing Services, LLC

WHY YOU SHOULD OUTSOURCE MEDICAL BILLING

Medical billing is a high-volume job that requires full attention. Outsourcing medical billing saves your staff hours that can be dedicated to other needs.

Just one mistake can turn into a delayed payment and be a costly expense. A knowledgeable biller can optimize revenue performance for the practice by eliminating errors. Maintaining an in-house biller also comes with a lot of hidden expenses that can be significantly reduced or eliminated with outsourcing.

WITH ONE SOURCE MEDICAL BILLING SERVICES, THIS IS WHAT I GUARANTEE

- You will get paid faster from the insurance companies and see a reduction in the number of rejected claims.
- The solutions we offer are all **100% HIPAA-compliant**
- The data is secured and stored on redundant servers with daily off-site backups.
- All of our systems include all medical codes (ICD and CPT), and an unlimited number of users, insurance companies, patients and claims. The best thing is there are MULTIPLE solutions as no one solution fits all.
